HPLS-2G , L1 GNSS series / EOL (End of Life) notice

Dear valued Customer,

This letter confirms to your company that Arazim Ltd. is discontinuing the manufacture of some part numbers under HPLS-2G product line listed in the table below. In accordance with Arazim Ltd. policy, we hereby giving notice of these products changes so that your company can adjust its product purchasing records of the discontinued parts list.

Arazim Ltd. will continue to service these products until the End-of-Repair Date, as long as replacement parts are available. When repairs are not possible, Arazim Ltd. will attempt to offer a functionally-equivalent replacement for purchase.

Arazim Ltd. will accept last-time-buy orders from your company as "Firm and Final". As such, these discontinued product orders will not be subject to rescheduling, cancellation, or termination by your company without prior written authorization and payment of applicable termination charges.

Thank you for your continued business. Please contact Arazim Ltd. with any questions.

All EOL products have replacement units with **compatible mechanical and electrical ICD** (Drop-In Replacement)
